struttura
leggera
che diventa
funzionale

light structure that becomes functional

forme minimaliste e dalla robustezza evidente, c-yl è una lampada a sospensione a led dal design accattivante che si adatta a tutti gli ambienti. un apparecchio che fonde le innumerevoli sfaccettature del design d'interni... la sua struttura diventa l'elemento che supporta ciò che si vuole mostrare illuminato.

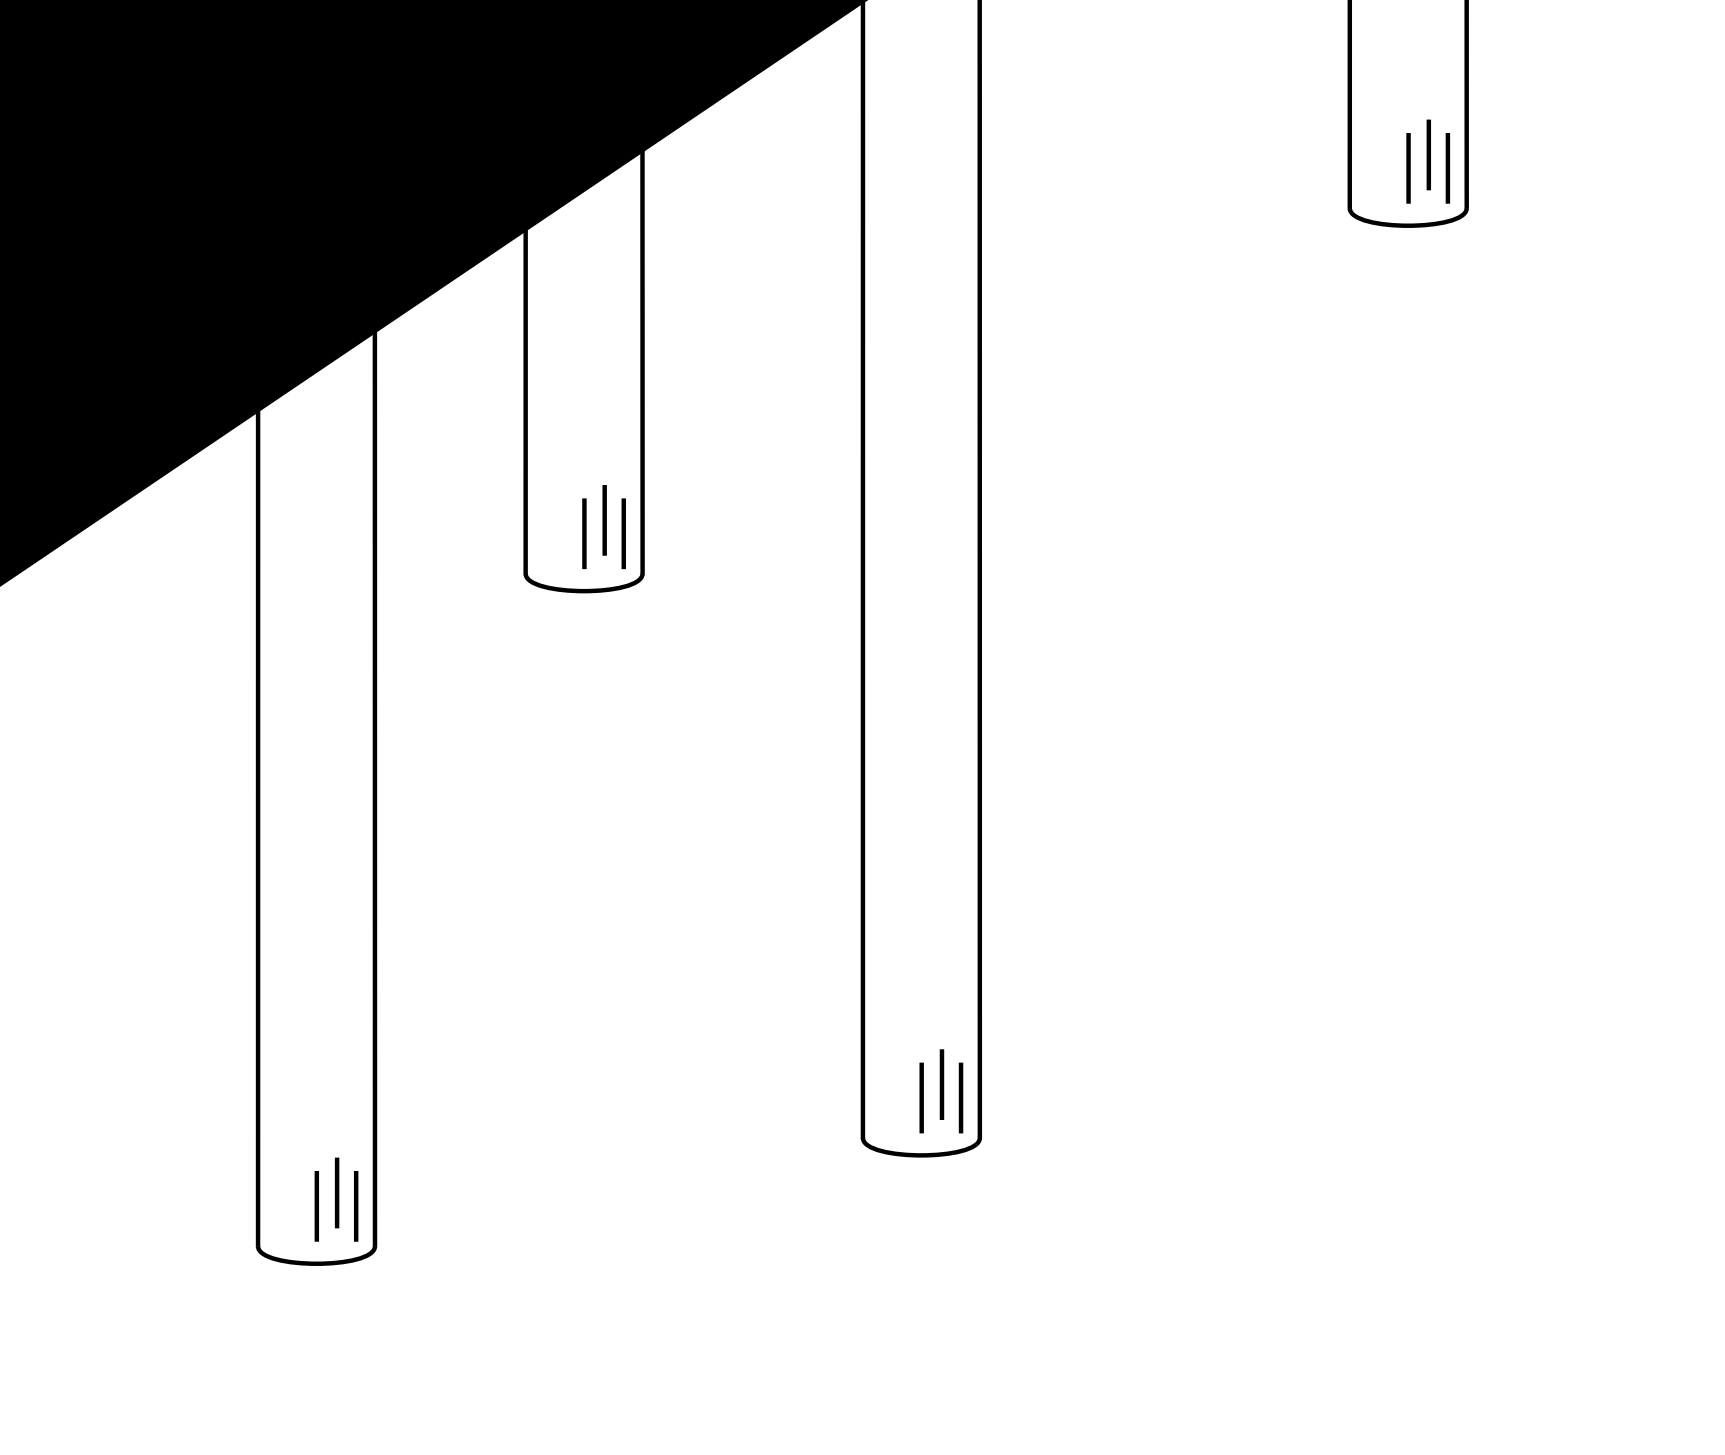

minimalist shapes and evident robustness, c-yl is a led suspension lamp with an attractive design that adapts to all environments. a luminaire that blends the innumerable facets of interior design... its structure becomes the element that supports what you want to be illuminated.

sentire la luce vuol dire entrare in connessione con essa per una nuova lettura. c-yl, lampada da soffitto led che non è una semplice lampada ma un vero e proprio oggetto di *design*. la luce proietta l'ombra che disegna le cose, dalla sua struttura nasce un mondo visibile tutto intorno ad essa. ogni sua fessura è luce.

feeling the light means connecting with it for a new reading. c-yl, led ceiling lamp that is not a simple lamp but a real design object. the light projects the shadow that draws things, from its structure a visible world is born all around it. every crack of it is light.

continuo ciclo di contrasti

perfect balance of elements

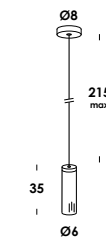

c-yl 2009 - 2018

c-yl è una lampada a sospensione e da soffitto led da interni con struttura in acciaio ed un modulo led integrato da 6w 3000K dimmerabile nella versione *standard* e da 12w nella versione *plus*. finiture disponibili quali *totalwhite*, *totalblack* e brunito verniciato.
