giro t o n d o

le linee si curvano
fino a chiudersi
in un cerchio elegante

quando la leggerezza incontra l'innovazione: giro è ideale per piccoli e grandi spazi. giro è una famiglia di apparecchi in alluminio estruso, essenziale e pulita la forma e si integra bene in ambienti minimal. disponibile con emissione interna o esterna all'anello, molto performante nell'emissione (fino a oltre 14500lm) ed efficiente nel consumo

lightness meets innovation: giro is ideal for small and large spaces. giro is a family of extruded aluminum fixtures, essential and clean shape. it is available with inner or external emission, very performing in the emission (up to over 14500lm) and efficient in consumption

leggerezza il suo punto arrivo

giro, lightness point of arrival

le sospensioni giro tondo, anche combinate alle sospensioni giro linea, permettono infinite possibilità di composizione anche in zona con controsoffitto proprio grazie alla leggerezza (da 500 grammi).

suspensions of giro tondo, also combined with giro linea suspensions, allow endless possibilities of composition even in the area with false ceiling thanks to the lightness (500 grams).

design is everywhere

It's the new app on your phone, the card you looped on the bus, the glasses perched on your nose, and the words you're reading right now. design. humanity's best friend.

il design è pensiero reso visibile.

nero nero nero

bianco bianco bianco

La sua apparente semplicità cancella tutto ciò che è superfluo e diventa oggetto. giro, dal design moderno ed essenziale, è perfetto nella sua semplicità. un giro-tondo progettato nella nostra officina delle idee.

its apparent simplicity erases all that is superfluous and becomes an object. giro, with a modern and essential design, is perfect in its simplicity.

esecuzione speciale con led di cortesia
special version with courtesy led

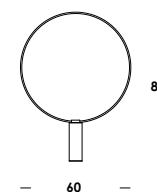

giro tondo è una apparecchio da parete, pavimento e a sospensione regolabile in altezza su cavi di acciaio. struttura in alluminio estruso. finitura verniciato. fornito con *driver* e modulo *led-strip* integrato dimmerabile. emissione interna o esterna. disponibile in diverse dimensioni da 60 cm a 160 cm.

giro tondo is a wall, floor and suspension luminaire adjustable in height on steel cables. structure in aluminum. painted finish. driver and dimmable led integrated. internal or external emission. available in different dimensions from 60 cm to 160 cm.
