# la ricerca della semplicità

*the search for simplicity*

**un apparecchio da illuminazione a sospensione concettualmente semplice ed accessibile, nasce dalla costante ricerca dell'essenza originaria delle forme e dei materiali. l'equilibrio di una struttura elementare ma studiata nei minimi dettagli, un cavo che sostiene una tecnologia led, in una visione complessiva di eleganza e leggerezza.**

*a conceptually simple and daring pendant lighting fixture, born from constant research of the original essence of shapes and materials. the balance of a elementary structure studied in detail, a cable that supports a led technology in an overall vision of elegance and lightness.*

# il *minimal* che impregiosisce

*the minimal that embellishes*

**iled ha in sé voglia  
di osare e una  
forte propensione  
all'innovazione.  
si inserisce tra  
lampade a  
sospensione  
moderne,  
puntando  
all'essenzialità  
delle forme  
poiché il tutto è  
racchiuso in un  
modulo led dalle  
dimensioni ridotte.  
la sua struttura  
in alluminio  
racchiude tutta  
la tecnologia  
e le funzioni  
fondamentali in soli  
7 cm di altezza.**

*iled has in itself a  
desire to dare and  
a strong propensity  
for innovation. it fits  
between modern  
pendant lamps,  
aiming at the  
essentiality of the  
shapes as everything  
is enclosed in a small-  
sized led module. its  
aluminum structure  
contains all the  
technology and  
fundamental functions  
in just 7 cm in height.*

# ispirazione e progettazione

*inspiration and design*

**l'ispirazione diventa progetto: nasce il led a soffitto, un apparecchio per interni con l'obiettivo di creare la giusta luce d'atmosfera in ogni ambiente. la collezione il ed si esprime in un nuovo step dimensionale, l'essenzialità delle forme applicata a soffitto, luce puntuale o diffusa, ottiche a scelta e finiture dinamiche, queste le caratteristiche di uno spot nuovo e funzionale, adatto a piccoli e grandi spazi.**

*inspiration becomes project: il ed ceiling is born, an indoor luminaire with the aim of creating the right mood light in any environment. the il ed collection is expressed in a new dimensional step, the essentiality of the shapes applied to the ceiling, punctual or diffused light, optics of your choice and dynamic finishes, these are the characteristics of a new and functional spot, suitable for small and large spaces.*
