diffonde
la luce nel
tuo spazio.**

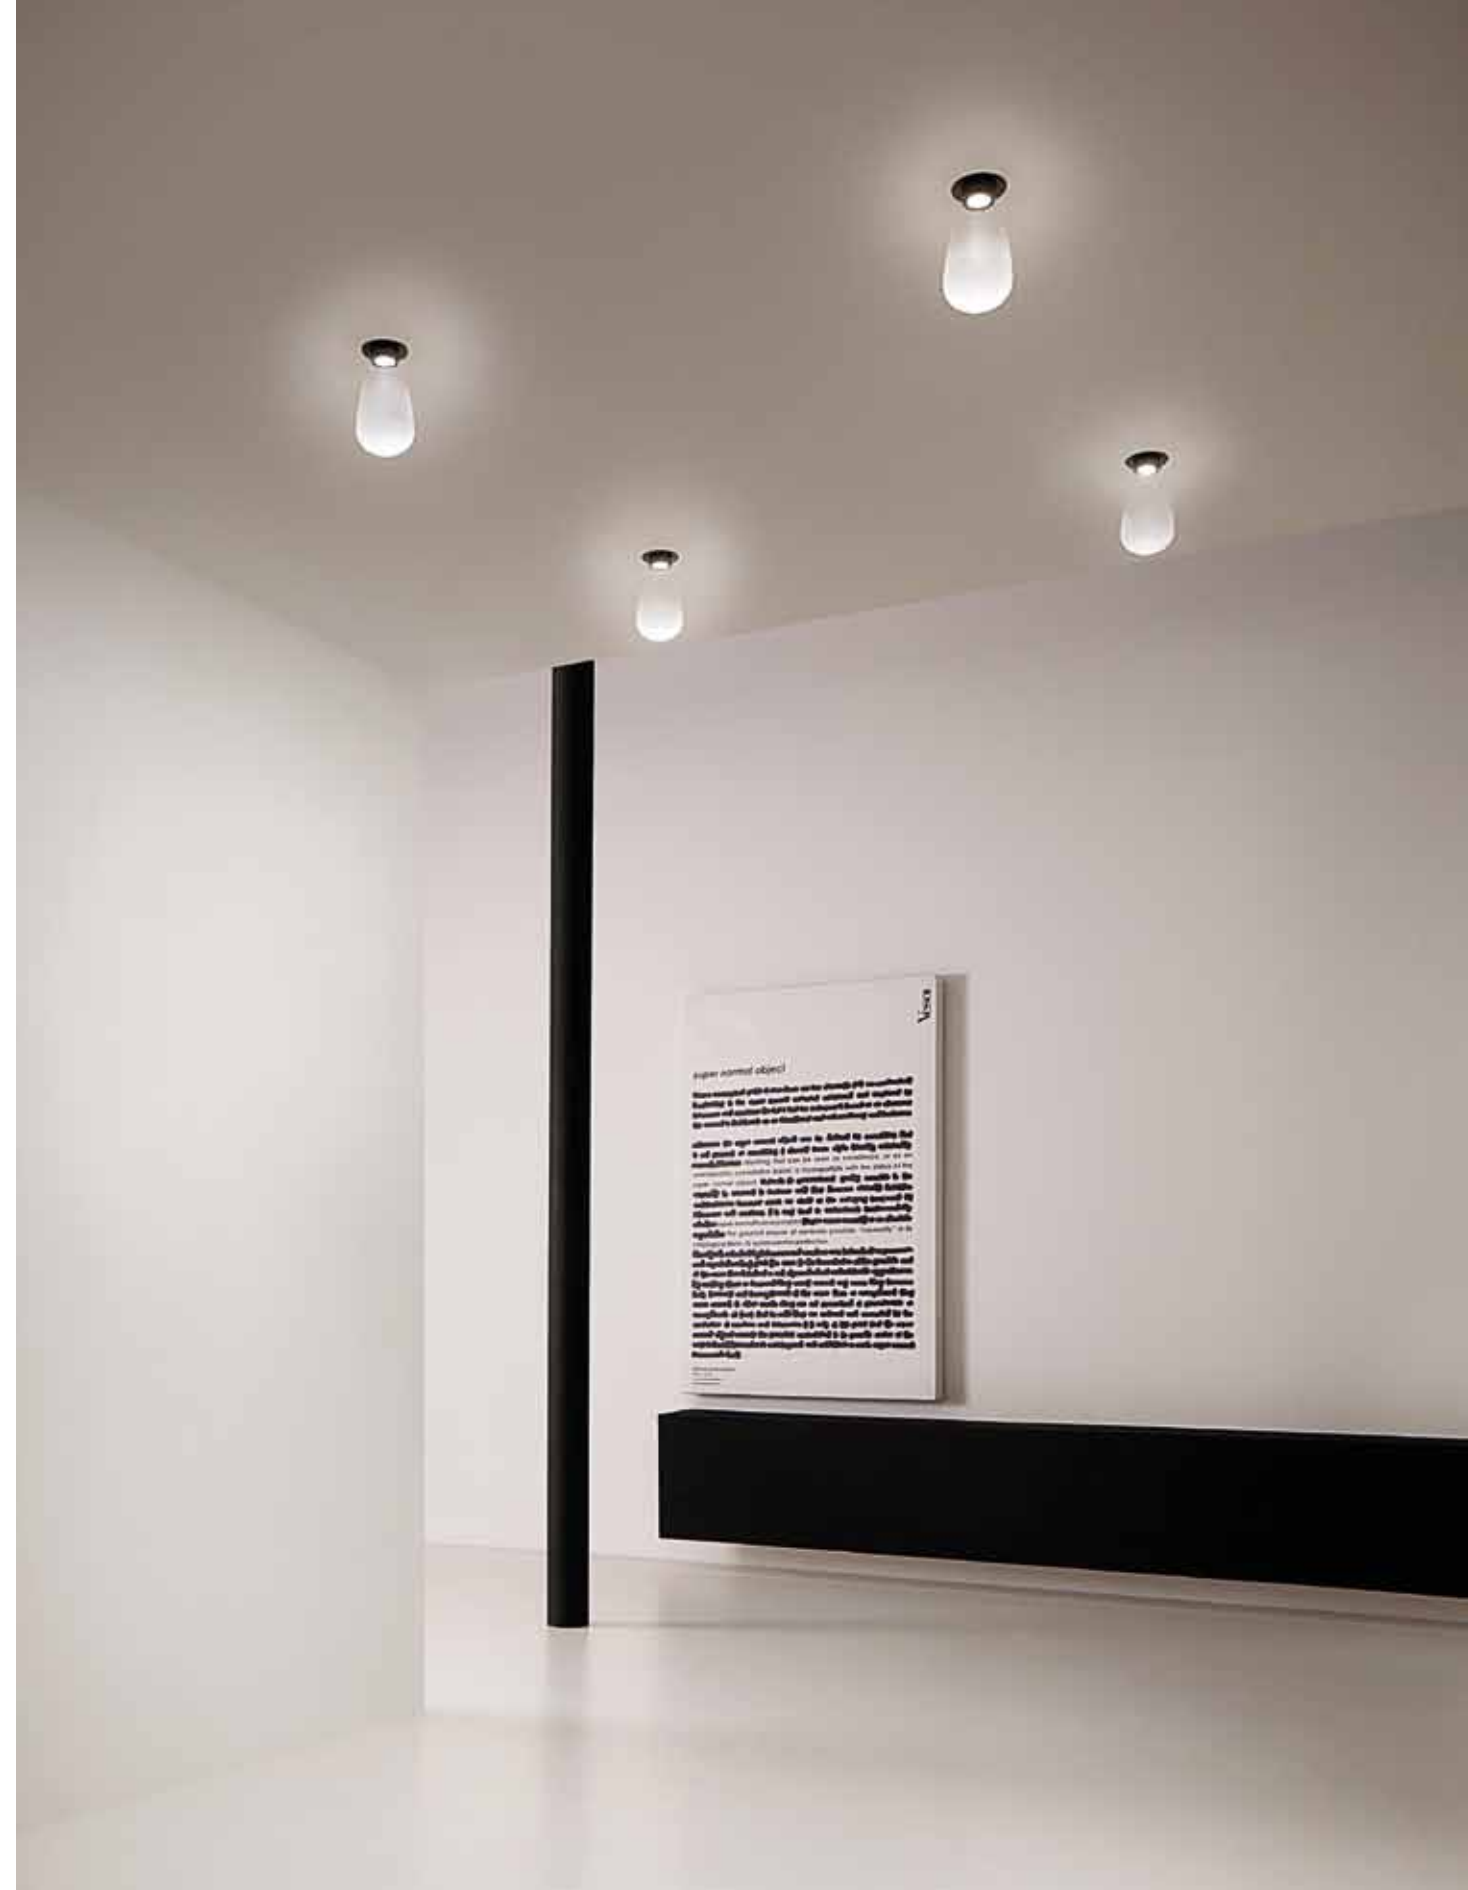

*a drop of blown
glass of different
shapes that
diffuses the light in
your space.*

la forma del diffusore in vetro soffiato di noidrop evocativo della classica lampadina include la moderna tecnologia dall'altissima efficienza luminosa con emissione diffusa e buon comfort visivo.

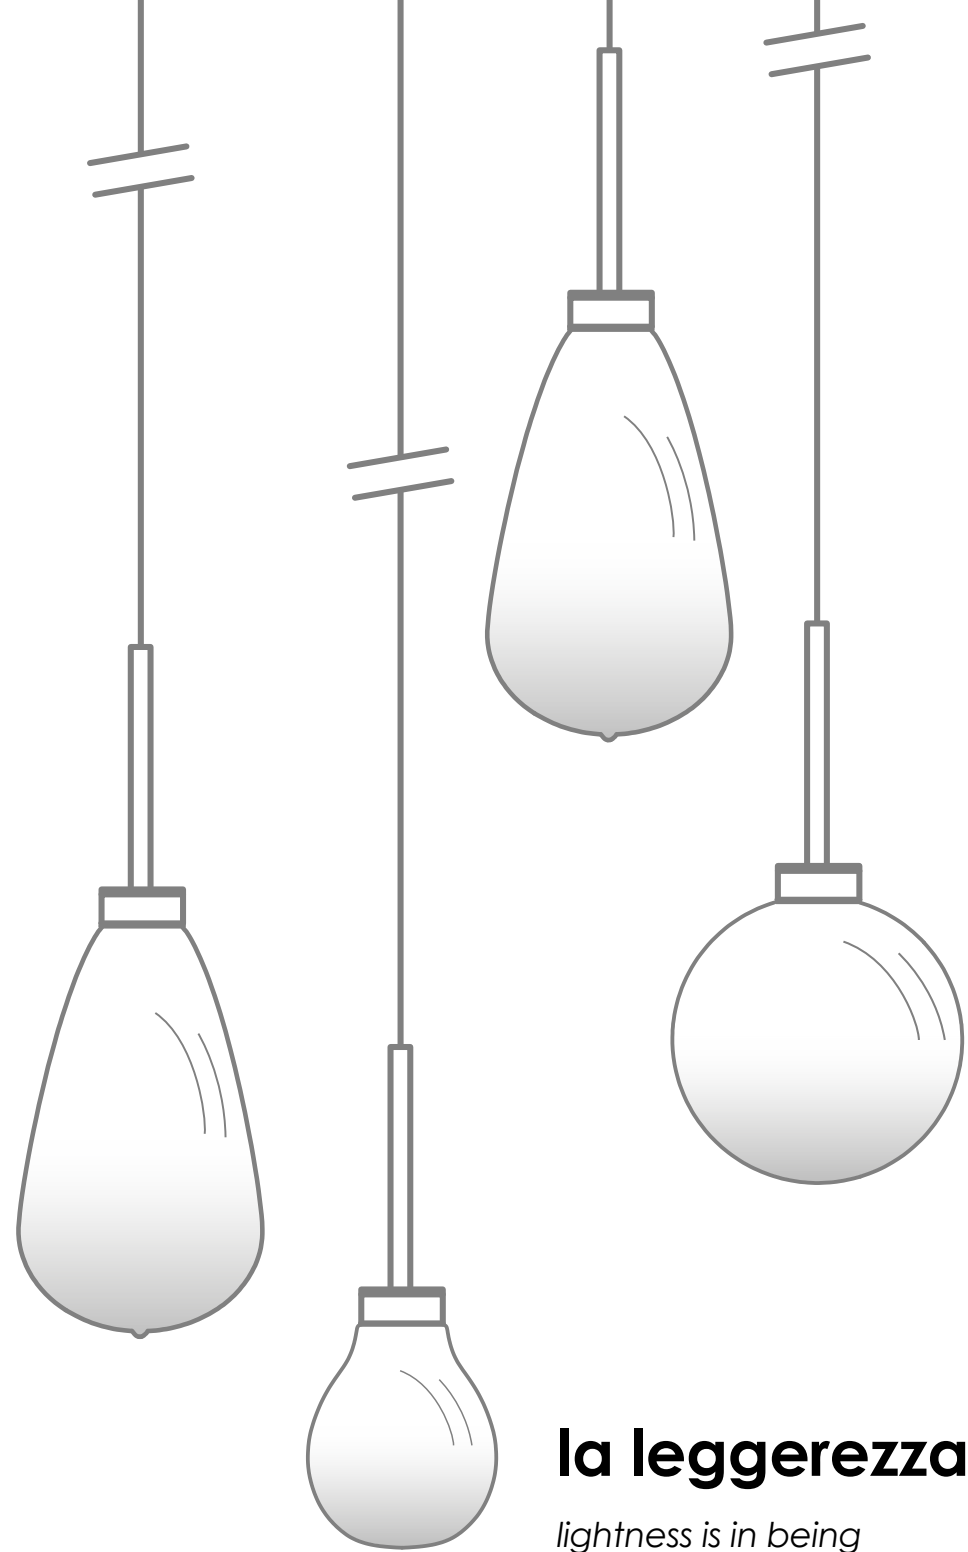

the blown glass shade of noidrop evokes that the classic light bulb, with high efficiency luminous modern technology, diffused emission and visual comfort.

tecnologia *led* e materiali artigianali si uniscono nella lampada a sospensione noidrop, sintesi tra efficienza luminosa e *design*, la *silhouette* ricorda le antiche lavorazioni del vetro in una versione sfumata sabbziata.

led technology and artisanal materials come together in the noidrop suspension lamp, a synthesis between luminous efficiency and design, the silhouette and the production itself, recall the ancient glass processes in a sandblasted shaded version that illuminates evenly thanks to the diffusing characteristic of the glass.
