### super normal object

*[Illegible text]*

*[Illegible text]*  
anything that can be seen as excellence, or as an unmistakably connotative brand, is incompatible with the status of the super normal object. *[Illegible text]*  
*[Illegible text]*  
super normal is an oxymoron *[Illegible text]*  
the greatest degree of normality possible, "normality" in its ontological form, its quintessential perfection.
