luci d'artista
art lights

caratterizzata da un *design* unico e leggero, funzionale e minimalista e, al contempo, classico e contemporaneo. applique basata su uno studio puntuale dell'ottica e della sua geometria, questo sistema semplice e complesso regala figure immaginarie o naturali rifrazioni di luce... inaspettate magie.

characterized by a unique and agile design, functional and minimalist, at the same time, classic and contemporary. this applique is based on a detailed study of optics and its geometry, a simple and complex system offers imaginary figures or natural refractions of light ... unexpected incantation.

contemporanea e minimalista

contemporary and minimalist

insolito tocco di protagonismo

*unusual touch
of protagonism*

la lampada da parete a led close-up è come un pezzo da collezione, non solo un apparecchio per illuminazione da interni, ma molto di più. una struttura che combina linee pure e resistenza, dalla leggerezza quasi estrema e dall'anima artistica, si adatta ad ogni tipo di ambiente che voglia accogliere uno stile originale di illuminazione.

the close-up led wall light is like a collector's item, not just an indoor lighting fixture, but much more. a structure that combines pure lines and resistance, with an almost extreme lightness and an artistic soul, adapts to any type of habitat that accommodate an original style of lighting and decorate.

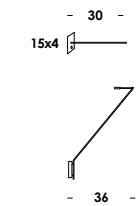

close-up è una lampada da parete led da interni con illuminazione di tipo indiretto, con struttura in alluminio verniciato e/o galvanizzato, composta da due elementi: una parte illuminante ed un'altra a servizio della prima, con la possibilità di sospendere elementi sempre diversi per nuovi giochi di rifrazione della luce. il modulo led integrato da 3w ha una temperatura colore di 3000k ed è dimmerabile triac. la parete o una tela, creano lo sfondo perfetto per questa luce d'artista.

close-up is an indoor led wall lamp with indirect lighting, with a painted and / or galvanized aluminum structure, composed of two elements: a lighting part and another serving the first, with the possibility of suspending elements always different for new plays of light refraction. the integrated 3w led a+ module has a color temperature of 3000k and is dimmable. the wall or a canvas, create the perfect background for this artist's light.
