**il rigore formale e le sue proporzioni modulari lo rendono un *unicum* nel suo genere in ambienti residenziali o professionali. pensato per soddisfare un bisogno nel tempo. evocativo quanto basta e ripensato per enfatizzare la tecnologia *led*, esprime il mood di *vesoi modern-classic*.**

*its formal rigour, its modular proportions make it unique in residential or professional settings. a product designed to satisfy a sufficiently evocative need over time, redesigned to satisfy led technology: this is vesoi modern-classic.*

***modern-classic***

si comincia  
con uno spazio bianco,  
o forse no,  
ma secondo me  
deve essere bianco.  
noi diciamo bianco  
perchè abbiamo bisogno  
di una parola,  
di una definizione.  
il nero è l'assenza,  
il bianco è la luce.
